At a time when illustration and entertainment art have never been so popular and accomplished, Cypress College Art Gallery presents two exhibitions from the bubbling edge of this FANTASTIC world:

## ***Invisible Features***

AND

## ***The Society of Illustrators of Los Angeles***

### ***61st Annual Illustration Competition***

Curated by Donovan Howard, ***INVISIBLE FEATURES*** includes 2d and 3d concept art, final imagery, figurines, animations, and game art by Black artists who have achieved great success in the entertainment industry working with such world-class companies as: THE DISNEY COMPANY, WALT DISNEY IMAGINEERING, RIOT GAMES, RHYTHM & HUES, RENEGADE, 20th CENTURY FOX, and LIONSGATE, on stellar projects that include the X-MEN, BLACK PANTHER, SPIDER-MAN, and AVENGERS franchises, among many others.

The gallery exhibition is comprised of a wide range of works by Emmy-nominated—and renowned *Garbage Pail Kids*—artist **Layron DeJarnette**, Riot Games animator **Benjamin Davis**, theme park designer **Mark Page**, graphic designer **Jon Davis**, storyboard illustrator **Todd Harris**, and toy designer **Deon Nuckols**.
